

The Point System (HSSMA)

The "Point System" that is used by the music program is designed to help students raise money for trips or band camps planned, either in the immediate year or in years to come. Each point is worth two dollars. For example; if a student sells an item for \$10.00, and the school's cost is \$6.00, that student would have earned 2 points or \$4.00.

Points left at the end of grade 12 or when the student leaves the program will be rolled over into a siblings account or put into an open account to help pay for chaperones and students with money challenges.

If you have points you would like to use toward this trip, please fill out the following form and return it to the band room. *Points will not be issued by emailing Mr. Selensky or the HSSMA, or by phoning. Only by filling out and returning this form will your points be used.*

If you are unsure of whether your child has points, or the amount, please feel free to email the HSSMA at: hssma-pts@live.com
