Fundraisers and concerts do not succeed without the assistance of parents/ guardians and students. Music Program functions such as trips, concerts, fundraisers and other events DO NOT get run through the School; they are run by parents. Without the assistance of parents and off-duty teachers giving their time, these Music functions would not be successful.

The H.S.S.M.A board members need the assistance of ALL parents/ guardians and students to assist with one or more items on our list to make the Music Program a success.
