### One To One Reading Program

Hugh Sutherland School will be starting a new session of its One-to-One Reading Program and we are looking for more committed volunteers to read with our younger students! The program runs for 12 weeks and starts the week of February 24th and runs until the end of May. Volunteer expectations: Commitment of at least 1 hour per week to read one-on-one with students. One morning or afternoon of volunteer training and a criminal record check, child welfare check, and confidentiality agreement. This is an excellent opportunity for family members to become involved in student learning and to support and encourage literacy at Hugh Sutherland School! Students greatly benefit from having one-on-one reading time with adults and it helps children learn literacy skills for life. For more information, please contact Michaela Allen at [mmallen@cesd73.ca](mailto:mmallen@cesd73.ca) or 403-337-3326. We look forward to working together with families in the community to build strong readers and help students develop a love for reading.
