Reminder to students entering grade 9 - bring your own device is required from grade 9-12.

Dual Credit opportunities- please don't miss out! Every student and their families in Grades 9-12 should check out what exceptional dual credit programming is available to our students! These courses are well orchestrated and give meaningful and professional experiences to students to explore areas of interest, exposure to post secondary education, credits, and get a head start on career exploration. Available courses and an explanation of dual credit is listed on our [Careers and Guidance- Dual Credit](#) website. If you are interested or have further questions, be sure and let [Mr. Hronek](#) know. These programs have limited seating and we want some Kodiak butts in them!

All Grade 12 students, please make sure you fill out the *Grad Yearbook Survey* posted in the Grade 2020 Careers and Guidance Google Classroom. Please try to have it submitted by June 5th.

Take a picture/video of your backyard athletic talents and share with Mrs. Johnson to be featured on the Kodiak PE @ Home Facebook Page.
