## Terry Fox Run

This year is the 40th anniversary of Terry's Marathon of Hope and even though we have cohorts and masks and social distancing, we still want to honour Terry and everything that his Marathon of Hope represents. We are encouraging students to bring Toonies for Terry. If you would like to make a larger donation and receive a tax receipt, please donate through the Terry Fox website <http://www.terryfox.ca/HughSutherland> Our Terry Fox Day is Wednesday, September 23 and it will look different, but we hope to send the same message. We will start the morning off with a virtual assembly and then our grade 3-6 students will use our new track to complete their runs in their cohorts throughout the day. The grade 7-12 classes will head to Memorial Park for their run. All students will be given a granola bar and a bottle of water once they are finished. Based on the Covid restrictions and the need to scale down this event, we are unable to have parents join us this year. We sure hope that next year we can get back to our wonderful community event!
