Elementary(Grade 3-6) News - Kodiak Snack Shack News

Thank you so much for your patience while we begin to start offering some lunch program options to our elementary students. Distributing food, following COVID guidelines is extremely challenging for us. Many volunteers are needed to be able to safely deliver food to elementary classroom cohorts. Please email Amber Nielsen directly if you are able to help out at anielsen@cesd73.ca. We are currently able to offer the below options for October, please be sure you pre order and pay online. Only the main course will be offered at this time. This year punch cards will not be used at the elementary level. All food must be preordered. If you have a balance from last year on your punch card, Ms. Klinck will credit your account to use this year.

October 7 - bacon macaroni and cheese

October 14 - hot dogs

October 21 - taco soup

October 28 - subway
