AHS NEW Daily Checklist

Grade 3-5 News

Happy Valentine's Day! We are getting ready to celebrate. In following COVID guidelines, students will **only** be able to bring **paper valentines**. Any valentines that have food or something like a tattoo are not able to be shared at this time. We ask that all valentines be at school on Monday, February 8th so teachers are able to collect them in individual envelopes and safely store the envelopes for the required 72 hours. Teachers will ensure safe processes for distributing the valentines to students so the holiday can still be celebrated. Students are not able to bring any food or items from home to share. Individual classroom teachers will be providing details for each homeroom. Please stay tuned.
