Leadership Lowdown

Our high school leadership team has been working hard on getting the students here to interact more! For Easter we had all of the students walk around the school trying to find their eggs' match in return for a chocolate! We also held the first ever Carstairs' Got Talent before we left for our break! The crowd was amazing and the acts were even better! In first place we had Violet Parker with a fantastic dance, Taylor Fox showing off her great guitar skills and in third place we had Ana Karpowich that created a stir of laughter throughout the crowd. The students were given an opportunity to round up some more CA points by bringing hand made signs to show their love for the performers. With these new points being counted there has been a great change in points. In third place is Mr Gardner at 562 points, Pike in second at 726 and in first place we have Pollock at 761 points! A sneak peak at what is to come is Greaser Day on April 28th! On this day we will have an opportunity to dress up in the best style from the 50's, a battle of the CA at lunch and a fun party held by Mrs Kemp at 5 that night!
