### HSS School Council

Engaging parents - Connecting with classrooms - Enhancing school community

- \* We are NOT a fundraising committee
- \* We exist to give parents a voice in making HSS a great place to learn, work and play
- \* We DO create an opportunity to productively journey with staff as they lead our kids

For a better understanding, please visit us on the HSS website

# Leadership Lowdown

## October Activities And Goals

We have three goals for our High School Leadership

1. Growing into leadership roles and responsibilities
2. Reaching out to our community
3. Encouraging school spirit and culture.

Future school activities

- Theme days and weeks
- CA Battles
- Mingle Matching activities to get students to meet new people
- Movember awareness campaign
- Various community outreach activities
- ASLC Leadership Conference
- Mentoring younger students
- 

Activities that the High School Leadership Team has participated in this year:

Attended the International Powwow hosted in Red Deer where we learned about Indigenous stories and the meaning of their dances.

We walked around Carstairs and raked leaves for various residents.

High School Leadership then went to the Senior Centre to learn about the life stories of the seniors in our community and to create 'Spotlight On Seniors' where we will then share the stories we've heard in the community.

## Halloween

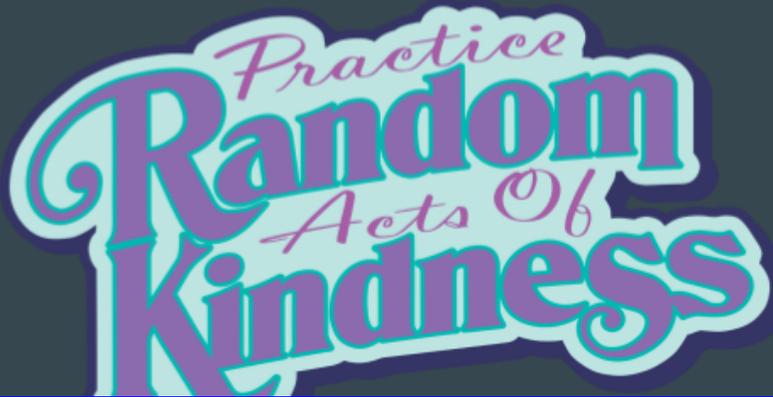

Thanks everyone for participating in our Halloween activities that were planned and executed by the Hugh Sutherland HS and Grade 9 leadership classes. We appreciate the participation of every student from Hugh Sutherland that joined in the fun. Sadly, we had to cancel our Halloween Dance due to low ticket sales but we are already brainstorming for some new, fresh ideas!

**HAPPY HALLOWEEN**

## Kindness Walk

On Wednesday October 18, our the Grade 9 Leadership class went out on a walk to spread kindness to people. On our walk, we stopped to introduce our team to people and give them candy with a kind message to make their day. We have been brainstorming some other ideas we can do as a leadership class to spread kindness to others in our community.

## What we are doing in Leadership 9

For our first leadership assignment, we got to choose somebody who we thought was an inspirational leader. This assignment had helped our class recognize the leadership qualities of close people in our lives. We got to present the different aspects of leadership in someone close to you to our class which had shown everyone that there can be different types of leaders in everyone's lives.

The second assignment we did was based on a children's book. We had to pick out a children's book and demonstrate how the book represented leadership. We read out a book and planned an activity for the class to do. Every activity was unique and based off of the book.
