# LEARNING LAB

We invite your student to our Learning Lab, a supportive space for help with math concepts, homework, and assessments. Staffed by math teachers, the lab offers knowledgeable assistance while students work independently or with peers. It operates every Thursday after school from 3:20-5:00, allowing flexible attendance. Encouraging participation can enhance their math progress and confidence. The lab is open to all students, regardless of the subject. Thank you for supporting a positive learning experience!
